Minimum Guarantee Assignment Form

In accordance with the CUPE 3903 Unit 1 Collective agreement, the Faculty of Graduate Studies provides students who are members of the CUPE 3903 Unit 1 Priority Pool with an assignment form by which they can indicate the academic term(s) that they consider themselves unavailable to take on a minimum guarantee work assignment. Please note that in order to consider yourself unavailable to work during a specific term you must demonstrate exceptional circumstances. Such reasons may include:

- Engagement in off campus activity associated with the program of study, approved according to FGS regulations for students absent from campus.
- Medical circumstances, child care responsibilities, or other compassionate grounds when the member is not on an approved leave of absence from the program.
- The graduate program director and supervisor and/or advisor has certified that additional activity will jeopardize the bargaining unit member's ability to make satisfactory academic progress in the associated term and the Dean of the Faculty of Graduate Studies approves.

FGS will make every reasonable effort to assign persons in conformity with submitted requests. Should a member's circumstances change after submitting a form, we request that a new form be submitted as soon as possible.

For your reference, information on the Minimum Guarantee can be found online in the CUPE 3903 Unit 1 Collective agreement; "Letter of Agreement: Additional Funding for Priority Pool Members", p.64-67.
