E. Standing Committees

3. Procedures of Standing Committees

g. Each of the FGS Council committees, APPC excepted, shall be able, in cases where quorum cannot be attained  
(after attempting a minimum of four options over a one month period), to delegate authority to a smaller committee [remove: during the summer term] composed of:
   - Associate Dean, FGS
   - 2 standing committee members, one of whom must be faculty.
The Associate Dean would become a voting member only in the event of a tie in decision-making.
